

ALL ABOUT US

Solara Hot Tubs & Patio is a longstanding Edmonton based business, locally owned and operated since 1983! We strive to offer our customers the very best customer service.

We are Edmonton and its surrounding area's premium outdoor living store. Come in and see our selection of hot tubs, patio furniture, barbecues, smokers and accessories. Solara is seeking to enhance your quality of life!

Connecting People Together

Our goal is to connect family, friends and loved ones through the enjoyment of a hot tub or spa and all outdoor living needs. We believe nothing connects your family better than when you're soaking in a hot tub, gathered around a fire table, or relaxing under the stars in your sectional sofa. There's no television, no phone, no distractions - just you and your loved ones spending time together in the comfort of your backyard to admire the tranquility and beauty of nature.

Customers for Life

We like to think of our customers as friends for life. Every year, Solara receives hundreds of reviews from our customers thanking us for helping them create a wonderful experience in their backyards.

We're very proud of the fact that over thirty percent of the tubs we sell each year are a direct result of the referrals by happy Solara customers.
